# POLLED SHORTHORNS

*on the march*

The ever-increasing popularity of Polled Shorthorns in the South as well as in all other parts of the country—and yes—we can say "the world," is well-defined and strongly evidenced by the interest already displayed in the 1945 National Polled Congress.

Polled Shorthorns offer many advantages to the Southern breeder, the most outstanding being the natural hornless feature which saves the wear and tear of the dehorning job and the resultant losses to both cattle and owners. Add safety in feedlots and pastures, lower losses in shipping, and all the superior qualities of the Shorthorn, namely, greater weight for age . . . adaptability to all cattle-producing conditions . . . large flow of milk . . . quick profits—and you have a breed that can't be beaten as America's No. 1 farm investment. No little advantage is the strong demand which assures a good market for all surplus stock produced.

## Fastest Growing Breed

In five years no other breed of beef cattle can supersede the record made by Polled Shorthorns. Here is the evidence:

Transfers of Polled Shorthorns were 95 percent higher in 1944 than in 1940; registrations increased 59 percent in the same five-year bracket; new memberships went up 108 percent in the same period.

Furthermore, the average price of Polled Shorthorns sold at public auction in 1944 increased 14 percent over the average price in 1943. To date no other beef breed has presented figures which can show such rapid advancement.

This national official show and sale is the place to buy the best in foundation animals at your own prices. Come and bring an interested buyer with you. Auction means action, and there is great conversion power in these national sales. There is no surer profit on any investment than in Polled Shorthorns. You buy the best when you buy in this Congress.

Judge, Bert A. Hanson

7:00 P. M., Friday, Feb. 2d—BANQUET—Peabody Hotel

9:30 A. M., Saturday, Feb. 3d—SALE OF POLLED  
SHORTHORNS

### HOTEL RESERVATIONS

It is necessary that all who plan to attend this National Polled Shorthorn Congress Show and Sale make whatever hotel reservations are required as far in advance as possible. The PEABODY HOTEL, Memphis, Tenn., has been established as headquarters, and the management will make an effort to hold rooms, so please mention the National Polled Shorthorn Congress when requesting reservations.

### LOCATION

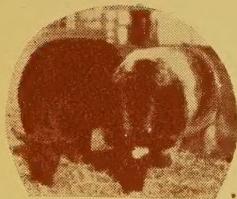

The Show and Sale will be held at the SHELBY COUNTY PENAL FARM, located six miles east of the city limits of Memphis. Arrangements will be made for complete transportation service to and from the Penal Farm.

### LUNCH

For the convenience of guests, lunch will be served at the Sale Barn on Friday and Saturday.

### BANQUET

Every Polled Shorthorn breeder and enthusiast should plan to attend the Banquet, to be held at 7:00 P. M., Friday, Feb. 2d at the Peabody Hotel. A very interesting program has been arranged and an excellent dinner will be served. Tickets will be available from any Association representative.

## Information for the Buyer

**FREE FREIGHT OFFER**—The American Polled Shorthorn Society will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this Congress Sale to one destination, up to a maximum of \$200.00. Why not contact other breeders in your locality in an effort to consolidate one shipment?

**MAIL BIDS**—We are aware that difficulties in travel and the like may make attendance in person impossible. Even should this be so, there is no need to pass up the opportunities offered here for furthering your 1945 Polled Shorthorn progress. Any one of the following persons will be pleased to act as your agent in buying these valuable cattle; and can be reached on sale day in care of the Shelby County Penal Farm, Memphis:

Representing American Shorthorn Breeders' Association  
7 Dexter Park Ave., Chicago, Ill.

**AUCTIONEERS:** J. E. Halsey, c/o Wallaces' Farmer, Des Moines, Iowa  
Tom McCord, Union Stock Yards, Montgomery, Ala.

**TERMS:** The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before sale time, and the sale manager and clerk are notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**SHIPPING ARRANGEMENTS**—It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

**INSURANCE**—Coverage can be secured effective at the time of sale.

**GUARANTEE**—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association.

**LIABILITY**—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

## In Appreciation

The progress of any breed is influenced by the aggressiveness and co-operation of those who contribute their time, money, and effort to the promotion of the breed. No little thanks for the success of this 1945 National Polled Shorthorn Congress should be given to the breeders whose efforts have made possible a consignment of top productions from leading herds.

Then there is another group who have given time and money, as well as effort, to the promotion of this Congress. Credit for its moving South this year goes to the members of the Mid-South Shorthorn Association who guaranteed to match the premiums subscribed by the American Shorthorn Breeders' Association. To all who have contributed liberally to the very attractive premium awards we take this means of expressing our sincere appreciation. We know that all Polled Shorthorn enthusiasts join us in extending our thanks to the following:

The premiums awarded to the Grand Champion Bull and Female as well as to the Group of Three Head were contributed by Charles J. Lynn, Lynnwood Farm, Carmel, Ind.

The Mid-South Shorthorn Association contribute the premiums offered in the class for Two Females.

The American Shorthorn Breeders' Association will also provide attractive ribbons.

The International Sugar Feed Company of Tennessee is contributing \$100.00 of the prizes awarded in the State Group of Five Head.

**DAYBREAK'S CREED**

One of the good bulls of the breed, above average in scale, with pleasing lines, sturdy legs well set under the corners, deep-bodied with well filled quarters and almost perfect back of the shoulders. His sire was Champion bull on the western fair circuit in 1940 and 1941 and was entered for the 1941 International, but we lost him just a week before the show from a throat infection. Daybreak's Creed was a first prize winner as a yearling at the Nebraska State Fair, with the second and third prize bulls in the same class selling at \$1,510 and \$915, respectively, in the 1943 Hultine-Blomstrom Sale. He is a sure breeder and a number of his heifers are being retained in our herd. Inspect his two daughters selling in this sale.

**ALCOVE ADVANCE**—This good rugged bull exemplifies the type that has made Polled Shorthorns the favorite with cattlemen who breed cattle for profit. To one wanting a herd sire this bull has all the qualifications.

#### OAKWOOD GOLD NUGGET

is a bull of championship calibre and equally impressive as a herd bull prospect. He has the head of a sire. He is very compact, deep-bodied, short of leg, full in his quarters, level in his tail-setting and carries one of the best rear flanks we have ever seen. Oakwood Pure Gold was the Grand Champion bull at the 1941 National Polled Shorthorn Show and topped our 1941 Sale. The dam of Oakwood Gold Nugget is a solid red cow of excellent type. Study this bull. Analyze his heritage, for he is backed by bulls that have made Shorthorn history.

**CARONA LEADER**—Is a solid red yearling son of our good breeding sire, Browndale Fascinator and out of a daughter of imported Silver Coin. He has the width, thickness and type we are looking for in our herd bulls. It would be difficult to find a more impressive list of sires in a pedigree and he should develop into a good prepotent herd sire.

**ALPINE BARON 2D**—Is a dark roan, very smooth bull and one of the best-headed animals we have produced. He is a full brother to Alpine Impression, the Champion bull at the 1943 Congress Show and is also a three-quarter brother to the Queen of Beauty heifer Lynnwood sold in the last Congress at \$1,000.

# The World Appreciates Polled Shorthorns

No other breed has enjoyed greater popularity among stockmen in foreign countries as witnessed by the export trade, than Polled Shorthorns.

The great strides made in breed improvement have been recognized by leading breeders of cattle in 10 countries: Argentina, Australia, Brazil, Canada, Dominican Republic, New Zealand, Scotland, South Africa, Uruguay, and Venezuela.

Of added significance is the fact that most of these exportations have been made during the last few years regardless of war and uncertainties in world conditions. The animals shown here were shipped from the U. S. to Australia late in 1944 in spite of hostilities and shipping scarcities.

When stockmen the world over put that much faith in the breed, then we say that Polled Shorthorns have a definitely established future.

Polled Shorthorns offer hornlessness plus coveted weight-for-age, correct type, quality, gentleness, milking ability, thrift, economy, long productivity, and pleasure.

# Invest in America's No. 1 Farm Security

The 1945 National Polled Shorthorn Congress will bring together the best group of Polled Shorthorns ever assembled in one sale. The quality of these 28 herd-leading bulls and 70 foundation females is beyond comparison to anything you have yet seen.

A breeder soon learns that he can't afford to buy anything but the best if he has any hope of being successful, either in the purebred or commercial cattle business.

This Congress will give you the outlook and promise of the success you can achieve in your own Polled Shorthorn business and will supply the right type to start with. We urge you to replenish your herd or start a new one from animals in this sale. These are the kind which will promote the progressive march of Polled Shorthorn popularity.

**COLLINSBY MANDATE**—The pedigree of this bull is studded with the names of "Who's Who" in the breed, including Sultan Browndale, an International Grand Champion. We have been retaining all females of this family in the breeding herd.

#### OAKWOOD INSPIRATION

is the third bull calf sired at Oakwood by the \$5,700 imported Gosshall Ximenes. His dam is an outstanding daughter of the 1936 International Grand Champion, Oakwood Emperor, and the grand-dam was undefeated at all the state fairs and the International in 1937. Study this bull from every angle. He has the head and front of a sire. He is thick, deep, full in his quarters, level and true in his lines and every inch a stock bull. His excellence is inherited and we recommend this calf as one of our best productions.

**CAPTAIN'S ROYAL RODNEY**—We regard this calf as one of the thickest, typiest and most outstanding bulls we have ever shown or sold. This is one of the first sons of Oakwood Royal Captain and this calf is of the same make as his sire was at this age. He comes from the famous Bruce Augusta family and truly he has the making of a great herd bull. Footnote can't do justice to this calf. Just be sure to inspect him yourself if you want to see one of those good-headed, low-down and wide kind.

## *Polled Shorthorn Steers Win in Strong Show*

This Polled Shorthorn steer, belonging to Fred Stewart of Carmel, Ind., took first place in the lightweight Shorthorn division at the 1944 Indiana State 4-H Club Show with 37 steers competing in the class.

About 400 steers of all breeds were entered. Polled Shorthorns also came to the front by winning second in the get - of - sire group, all breeds competing, with three steers sired by a Polled Shorthorn bull.

In the county group class of steers, 23 counties and all breeds competing, five Polled Shorthorn steers won third for Hamilton County.

# *Polled Shorthorn Steers Go to the Top*

At the Fat Stock Show held at Knoxville, Tenn., February, 1944, a roan Polled Shorthorn calf bred by Newton Myers & Sons, Greenville, Tenn., fitted and shown by Morris Williams, Afton, Tenn., was the Short-horn champion. He weighed 1,050 pounds at 16 months of age and was sold at auction for \$20.25 per cwt. Morris is feeding another Polled Shorthorn for the 1945 show which he considers an even better prospect than the one with which he won the 1944 championship.

A Polled Shorthorn steer named Christmas Gift was first prize in the Shorthorn heavy-weight steer class at the 1944 Junior Chicago Market Fat Stock Show, fed and exhibited by Dean Warters of Allerton, Ill.

Feeders and packers demand hornless cattle, and more and more producers are finding how easy it is to dehorn the Polled Shorthorn way. Polled Shorthorns give you those X-tra profits which come in saving dehorning cost and shrink, shed room and shipping space, plus the extra in packer's checks for cattle minus horn bruises.

**MISTY'S GLOSTER GIRL**

is a richly bred Duchess of Gloster, a grand-daughter of the 1939 Int. Grand Champion, Oakwood Merry King, with a double infusion of the blood of Oakwood Royal King, the peer of Polled Shorthorn sires. Study this heifer from every angle for she fills your eye. Sweet head and front, thick, deep, level and smoothly turned, she will appeal to critical buyers. Bred to Gosshall Ximines 2127336, whose first four calves averaged

\$1,925 in our recent sale. We would expect her calf to be of the same caliber.

#### LYNNWOOD FOXGLOVE

is a top heifer in type and quality. Note her depth of body, her compactness and her thickness. Her sire topped his class at the International and this heifer is ample proof that he sires them right. Her dam is by King Collynie, Jr., a champion and sire of champions, and her grand-dam is by the Int. Jr. Ch., Cumberland Sultan. Bred to Fascinator x2016414, sire of the \$2,075 bull in the recent Lynnwood Sale and we have much confidence in the worth of this calf.

**RED OAK ROSE**—A solid red heifer with style and quality. Rich in polled breeding. Look her over carefully.

**WALNUT GROVE LAVENDER 3D**

is a heifer of ideal type, faultless inheritance and perfect color. She has the head and front of a breeding cow—is short of leg, deep bodied, thick and true in her lines. Her inheritance is as impressive as her individuality. Her sire is a red son of our 1936 International Grand Champion, Oakwood Emperor. Her dam is by a dark roan son of the 1934 International Grand Champion, Oakwood Regent. Her grand-dam is by the same sire as Oakwood Commander, 1940 International Grand Champion and the next dam is by the 1927 International Grand Champion, Oakwood Baron. **ROAN LADY 5TH**—A heifer with a lot of weight for age. The champion bull and the reserve champion female of the 1942 Congress Show and Sale were by her sire. We are keeping two heifers out of the same dam in our herd; another of this good producing cow's calves topped an Indiana State Sale and one bull produced by her was the reserve champion bull at the Indiana State Sale. Mark this smooth, deep-bodied heifer for consideration. Vaccinated for Bangs and clear.

**RED OAK VICTORIA 14TH**

is a good headed, choice thick roan heifer sired by Red Oak Sensation. Sensation is by the same sire as the two Burns heifers which were the Grand Champions for Teegardins at the first and second Congress sales. We had to top the Burns sale to procure Sensation and his dam and he is siring us some choice cattle. The Reserve Champion female at Omaha in 1943 and also the Reserve Champion and top selling female of the Iowa 1943 State sale were sired by him. This heifer and her breeding will stand inspection.

In 10 years of showing we have always had at least one of this family in our show herd. Village Coronita 3d was a show cow and is now a most valuable breeding cow in our herd.

# Why Lose 4 Million Dollars a Year?

It is estimated by the National Live Stock Loss Prevention Board that cattlemen are losing some four million dollars annually through failure either to breed Polled cattle or to dehorn the cattle they are now raising.

By far the easiest, most humane, most profitable, and most satisfactory solution to the horn injury problem is to raise Polled Shorthorns. Polled Shorthorn bulls are natural de-horners when used on herds of horned cows.

With Polled Shorthorns there's no waiting for right weather, no loss in feedlot gains, no mess, no bother. It is no wonder that Polled Shorthorns are popular. Buy that top herd-header in this 1945 National Polled Congress show and sale. You'll never regret buying the best of the breed.

# *Don't be "On the Fence" About Beef Cattle*

Polled Shorthorns are the nation's quickest converters of grass and roughage into cash. They are unquestionably "taking" the South. The Polled Shorthorn head is the head of the future. You'll buy them ultimately as the most efficient type of all modern beef cattle—why not start with them now? Their easy-feeding dispositions not only help toward quicker maturity, but also make them pleasant and safe in feedlots and pastures. It has been aptly said, "There is no more beautiful picture than red, white and roan cattle in green fields." Polled Shorthorns are a joy to own, pleasant to work with, return maximum profits on your investment, and are truly America's own breed.

**MAC'S FANCY CHERRY**—Is out of the Grand Champion female of the 1943 Missouri Polled Sale, and an intensely bred Claytoun Victor calf. He was a member of our winning show herd at the last International. Claytoun Coronet sired the last International first prize Get-of-Sire and Grand Champion female. Victoria Coronita was Grand Champion female at many of the country's greatest shows.

**SAND PRAIRIE AUGUSTA**—This heifer will speak for herself. She has a wonderful head, is dark red, very smooth, short-legged, and deep, and her breeding is of the best.

# In Unity There is Strength

The combined efforts of the Mid-South Shorthorn Association in getting the 1945 Polled Shorthorn Congress into the South is a fine example of what can be done when a group with a mutual interest pools funds, ideas, and efforts.

A membership in the Polled Shorthorn Society, as an integral part of the American Shorthorn Breeders' Association, does the same toward pushing this great branch of the Shorthorn family into the strongholds of rival hornless breeds. The American Shorthorn Breeders' Association is the fastest growing breed record association in America. It accomplishes by a combined membership group what one man or a few cannot hope to do alone.

The membership pays for itself the first year even though you may record only two or three calves because registration and transfer fees are half-price to members. A Class B membership costs only \$10. You can pay it all at once, or pay \$5 down with \$1 yearly dues, and \$5 within 12 months. No other cattle association can match our low costs on memberships, registrations, and transfers. Be a part of us if you are raising Polled Shorthorns. Ask for membership application NOW. Write American Shorthorn Breeders' Association, 7 Dexter Park, Chicago 9, Illinois.
